

*We have survived an extensive DOT project...  
 We have seen the revitalization of our Main Street buildings...  
 And we have over 18 new businesses and over 40 new jobs...*

Now its time to come together as a community to support all these efforts through a new organization:

## Mount Morris Partners for Progress

*Our Mission is to promote and enhance the economic and cultural success of the Mount Morris community through a partnership of community members and business owners.*
